

# PROJECT SPREAD JOY

Did you ever have a Pen Pal? Having a Pen Pal is a great way to stay connected. Christian City is partnering with **Project Spread Joy**. Through letters, Project Spread Joy community volunteers provide companionship, friendship, and a positive interactive social connection. If you are interested in having a Pen Pal, please contact Volunteer Coordinator, Janetta Knighton @770-703-2701.

## *How Does the Pen Pal Program Work?*

All you need to do is provide your name and address, and a community volunteer will be assigned to start your Pen Pal services immediately! You can write back and forth with your Pen Pal as much as you would like. If you ever need to pause or discontinue your Pen Pal service, just contact Janetta to let her know.

*Happy Writing!!!*
