## Let Your Light Shine

The Christmas Star Run and Tree Lighting event is a festive and exciting evening of shared holiday fun benefiting Christian City's Children & Family Programs.

Participants will gather on the Christian City campus for our 5K and 1-mile fun run featuring our annual tree lighting event, carolers, and holiday lights costumes, the Coca-Cola holiday truck, refreshments and, of course, Santa Claus.

## Sponsors Are Crucial to Helping Our Children

Proceeds from the evening benefit Christian City's five Children & Family Programs:

**THE CHILDREN'S VILLAGE PROGRAM** where children ages 5-17 struggling with poverty, neglect and abuse find the love and support they need. Your sponsorship will help children in Christian City's care to move beyond generational cycles of abuse and poverty and give them the opportunity for hopeful, fulfilling lives.

**CROSSROADS FOSTER CARE & ADOPTION PROGRAM** where foster and adoptive families and children find resources and hope for a brighter future. Your sponsorship will help typically difficult to place children – teens, large sibling groups, and those with behavioral and medical needs – find loving, supportive families.

**SAFE PLACE PROGRAM** provides safety and an immediate place for youth who are in crisis. Your sponsorship will help get teens and youth experiencing homelessness off the streets and to a safe place where they can heal.

**THE THRIVE PROGRAM** where youth ages 18-24 who have aged out of foster care can find a place to live and learn the ins and outs of being a responsible and productive adult. Your sponsorship will help young adults get the housing, education, and life-skills training they need to grow into adulthood.

**HEALTHY FAMILIES PROGRAM** which focuses on keeping families together by filling the gap caused by a temporary crisis in their home. Your sponsorship will provide resources and services to families and help prevent the need for state intervention.

## Your sponsorship makes a difference!

Proceeds from our 2025 Christmas Star Run helped Christian City serve 2,934 children and 1,176 families last year. By being a sponsor, YOU can help provide stable and loving homes for even more children and families in need.

There are several benefits to sponsorship, with the most important being **the difference you make in the life of a child.**
